In today's Community Meeting, a question was posed regarding access to library resources by Boulder Creek High School students and community.

We're happy to announce the North Valley Regional (Boulder Creek HS) branch is open for individuals to come inside the library to pick-up materials on hold, handle account needs, and to browse a selection of the library's collection.

In early November, we hope to open more library services such as public computers, study rooms, and full access to the entire print collection.

Operating hours for this phase:

Monday-Thursday: 3:00-7:00
Friday: Closed
Saturday: 9:00-5:00
Sunday: Closed

If you prefer our contactless services, we will still be offering our curbside pickup at the following hours:

Monday-Friday: 9:00-11:00 AM

We'll also be continuing our virtual offerings which include many programming choices, digital materials, and Book-A-Librarian appointments. Visit us a www.mclidaz.org for a list of options.

Also, if you simply need Wi-Fi, we've extended our signal outside of our libraries and into the parking lot at all locations, every day, from 6:00 AM to 11:00 PM.

If you have additional questions, please let either Jeremy Reeder, Director of the Library District or myself know.

Thank you for your support.
